London Liquidation Fails to Materialize and Prices Soar Here.

BONDS SHOW STRENGTH

International Issues Active and Many Railroad Shares Show Substantial Gains.

Sperial to The Washington Hernid.

New York, Jan. 4.—Stocks closed strong teday, with many substantial galas, Wall Street laid another ghost. The liquidation that was expected to follow the resumption of trading on the London Stock Exchange turned out to be a myth. Lon-con opened with cheers and not a single selling order came from England so far as could be learned.

offerings were small and prices moved the rapidly. International listers were notice. Reading gained 2 points, Fenn-solvanis 15, and New York Central more than 2. Atchison, Eric and Union Pacificall were a point or more higher. Steel stocks came into prominence on the reserved of the beginner of heavy orders for stocks came into prominence on the re-port of the booking of heavy orders for ralls. Bethiehem Steel rose to 49, a new high. Directors will meet on the 21st of the month to take action on the pre-ferred dividend, and it is expected the full 7 per cont will be declared for the year. On the last Themlay of the month United States Steel directors will act on United States Steel directors will act on the common dividend. A continuation of the present tate of 2 per cent is ex-

Outside Market Cheerful.

Cheerfulness was noted in the outside market for potes, and bond prices were firm on investment buying. In the speculative issues New York Railway adjustment lives were active at a gain of a point. Virginia deferred certificates rose more than 2 points on the rumor that an early decision would be handed down an early decision would be mind disputed that would settle the mind disputed question of back interest.
